Agreement

By submitting payment, I agree to become a member of the Growing Heart Farm CSA for the season. I will pick up my share or send someone to pick it up for me during the listed times. I understand that there are no refunds for missed shares or cancellations. I understand that as a member I share both the bounties (beautiful veggies, bumper harvests, etc.) and risks (poor weather, crop damage, etc) of the farm. My share will vary from week to week depending on what is ready for harvest. I agree not to hold the Farm, or anyone acting on behalf of the Farm, responsible for damages resulting from injuries sustained from participation in any activity sponsored, held, or coordinated by the Farm (including but not limited to the weekly distribution and farm visits). By participating in the CSA, I am supporting the local farmer as well as more equitable food distribution, and I am helping to create a more environmentally balanced, economically fair, and healthy society.
